# Dementia Live®

## for family & professionals

Dementia Live® is a high impact, dementia simulation experience that immerses participants into life with dementia, resulting in a deeper understanding of what it's like to live with cognitive impairment and sensory change.

This is a 30 minute program with certified Dementia Live® trainers, offering a unique inside-out understanding of dementia and aging.

Participants will gain a heightened awareness of the challenges faced by those living with dementia. Learn valuable tips and tools to improve communication and care.
