## GOOD THINGS COME TO THOSE WHO PLAN: THE BENEFITS OF ADVANCE FUNERAL PLANNING

Did you know there are more than **100** decisions and pieces of information needed at the time of passing?

When we don't plan ahead, we leave those decisions to our loved ones — who might be left to emotionally overspend or bicker over options.

When we do plan ahead, we protect the ones we love on the day they'll need it most. Pre-planning not only prevents uncertainty but provides you and those you love with the peace of mind of knowing that things are taken care of.

Join us for this special presentation to learn more about pre-planning, payment plans, travel protection, and Veterans benefits.
