2020 VIRTUAL DEMENTIA EDUCATION CONFERENCE September 2 | 9-3:30 AM

Based on the guidance from local public health agencies regarding COVID-19, our annual Dementia Education Conference will now be held virtually. Whether you are a healthcare professional, caregiver, person living with Alzheimer's or related dementia, or a member of the general public, all are invited! Come learn more about the impact of Alzheimer's globally and locally for you and those you support and serve. Learn or refresh your caregiving practices and discover new resources.

Attendees are invited to join (via video or phone) for the entire virtual event or just the discussions that interest them most.

- Alzheimer's and Dementia Research
- Moments Matter
- Faith Resources for Living with Dementia
- Hospice Care - It's About How You LIVE!
