

# Starting the Advance Care Conversation & Tips for Caring for Aging Parents from a Distance

LIVE Virtual Event for those Caring for Aging Parents

**When:** August 13, 2020

**Time:** 10:30am - 11:30am

**Register for FREE:**

<https://caringforagingparents2020.eventbrite.com>

During this one hour virtual live presentation the professionals at Hospice & Palliative Care of Iredell County will help participants learn:

- What is advance care planning and why is it important?
- Learn how to start the important conversation about advance care planning with your loved one
- What questions to ask and next step after the conversation
- 9 tips for caring for your loved one from a distance, whether due to COVID or living out of town
