

A Live Virtual Education Opportunity

# Palliative Care:

Comfort & guidance when  
dealing with a serious illness

LIVE Virtual Event for all who are dealing with or caring for  
someone with a serious or chronic illness

**When:** September 17, 2020

**Time:** 1:00pm - 2:00pm

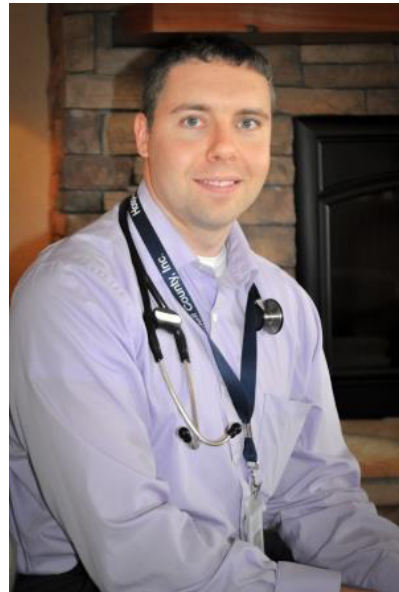

**Register for FREE:**

**<https://www.eventbrite.com/e/120567810567>**

During this one hour virtual live presentation and Q&A, Dr. Charles Frankhouser will help participants learn:

- What exactly is Palliative Care?
- Who benefits from Palliative Care?
- How does the Palliative Care team work with patients, families and other providers?
- Where is Palliative Care provided and who is on the Palliative Care team?
- When is it time for Palliative Care?

Presented by Dr. Charles Frankhouser

Dr. Frankhouser is Board Certified in Hospice & Palliative Medicine and the Medical Director for Pathways Palliative Care.
