

Living Well: Life Beyond My Diagnosis

Early Stage Alzheimer's "ALZ Talk"

Last Tuesday, Monthly | 2:00pm

Virtual program, Register in Advance by clicking link below:

This is a meeting for persons living with early stage Alzheimer's or dementia & others seeking insight about living with dementia from the experts themselves.

Each month a PLWD Peer will be featured, leading the discussion about the ways that they are living well with a dementia diagnosis & how they have "reinvented" their lives. The objective is to remove barriers & stigma to encourage empowerment.
