

Community Virtual Learning Opportunity

Planning for Rough Waters Ahead

Advance Healthcare Directives

During the month of April, Hospice & Palliative Care of Iredell County (HPCIC) will provide education about advance healthcare directives in recognition of National Health Care Decisions Day (NHDD). HPCIC will offer four opportunities for you to join a live, virtual event to learn more about these very important documents.

During this 30 minute virtual program, participants will learn:

- What are Advance Healthcare Directives?
- Which forms are important to complete now?
- How do I complete these forms?
- What do I do once the forms are completed?

Four opportunities to join us via Zoom!

April 8th - 12:00pm
April 15th - 2:30pm

April 20th - 12:00pm
April 27th - 2:30pm

For registration visit:

https://hospiceofiredell_advanceddirective.eventbrite.com

Once registered you will receive an email with printable documents and link for the live event you choose.

Assistance with advance healthcare directives is available anytime.
Please call for assistance or with any questions.
