# DEMENTIA: IT'S A NEW DAY

*A MODERN PERSPECTIVE ON DEMENTIA CARE*

Join three dementia care specialists in an hour-long conversation on modern dementia care. We'll present better approaches to care, break down common myths, and provide resources for your needs as caregivers. It's a free conversation no one should miss.

## **DEMENTIA AWARENESS**

WITH

**C. ANGELA BURROW**  
CDP, CADDCT, CMDCP

## **DEMENTIA NEEDS ARE HUMAN NEEDS**

WITH

**DONNA C. MARENTAY**  
CDP, CADDCT, CMDCP

SPECIAL PRESENTATION BY:

## **CAMERON CAMP, PHD**

With over three decades of dedication to the applied and translational research of gerontology, dementia intervention, and cognitive intervention, Dr. Camp has earned international renown for his work to improve the quality of life for persons with

dementia and memory disorders. Lecturing and training across Asia, Australia, Europe, and North America on the use of Montessori Dementia Interventions – and with writings that have been translated into six other languages – Dr. Camp is a personal force for global change for persons with dementia and memory disorders.
