

Starting the Conversation: Advance Care Directives

Hospice & Palliative Care of Iredell County invites you to join in a live, virtual event to learn more about these very important documents.

During this 30- minute virtual program, participants will learn:

- What are Advance Healthcare Directives?
- Which forms are important to complete now?
- How do I complete these forms?
- What do I do once the forms are completed?

2 Virtual Events
January 20th, 2022

11:30 AM
& 3:00 PM

For registration visit: <https://www.eventbrite.com/x/free-virtual-starting-the-conversation-advance-care-directives-tickets-233807744257>

Once registered you will receive an email with printable documents and link for the live event you choose.

Assistance with advance healthcare directives is available anytime.
Please call for assistance or with any questions.
