

**CAREGIVER**
Thrive Learn Connect

What are Continuing Conversations?

FREE ONLINE seminars to provide beneficial information and support to caregivers. **Each session is 90 minutes in length.** The first 40 minutes (Webinar format) will inform about specific topics of interest for caregivers. After a short break, those who wish to remain will discuss how the information applies to them, will have the opportunity to personalize their learning, and will be able to remain on for the second 45 minutes.
