

# Planning Ahead:

Legal and Financial Safeguards for those  
diagnosed with Alzheimer's and dementia

Recently received a dementia diagnosis?  
Caring for a loved one and wondering how to best prepare for the days ahead?

This workshop will offer practical tips and guidance to help you prepare for the legal and financial challenges that living with Alzheimer's and dementia brings. We'll also discuss important steps you can take to protect yourself or your loved one from common scams and financial exploitation, which unfortunately often target vulnerable individuals.
