*Our Services*

**Spring 2025**

**Tuesdays face to face**

**6:00- 8:45 p.m.**

**Open to all  
undergraduate and  
graduate students.**

**Gain  
practical  
knowledge!**

**An overview of aging programs and services from a legislative, consumer, and provider perspective. Perfect for those planning to work with older adults or who want to prepare for their family members' and their own aging.**

**Students will gain a holistic understanding of programs and services available for all of us as we age, share caregiving, and work to develop impactful legislation.**

**Katie Kutcher has a Masters of Arts in Gerontology from UNC Charlotte and has been working in the aging field for over 17 years. She is an Assistant Aging Programs Director for the Centralina Area Agency on Aging specializing in transportation, evidence-based health programs and home and community-based services and supports. She also serves on the board of the North Carolina Coalition on Aging. She has been recognized for her outstanding teaching.**
